# ADVENTURE CAMP

## Rising 7th - 10th

This year we're exploring the gems of Orange County! This group will have off site adventures such as surf lessons, camping at the beach, canyon hikes, and rock climbing. Archery, the Adventure Tower, and the pool will fill the rest of the week.

# LITTLE CANYONEERS

## Rising 1st - 3rd grade

Are you interested in the overnight camp experience, but not old enough yet for the full week program? Little Canyoneers offers the same overnight camp environment and activities, but in a shorter time frame.

# CLASSIC CAMPS

Things to expect in a normal day:

| | |
|---|---|
| Morning Watch | Bible Study |
| Family Group | Special Interest Class |
| Campwide Game | Evening Program |
| Free Activity Time | Evening Worship |
| Rest Time | Campfire |

Elementary Camp
(Rising 3rd-Rising 6th)
Junior High Camp
(Rising 6th-Rising 9th)
Senior High Camp
(Rising 9th-Graduated Seniors)

Campers experience traditional favorites including worship, Bible study, crafts, skits, outdoor recreation, archery, team-building, swimming and more.

# NATURE CAMP

## Rising 6th - 9th grade

From canyons to sea, campers will be in awe of God's creation during this week-long exploration of the ecosystems located right here in Southern Orange County!

Some of the adventures campers will experience are learning wilderness survival skills, a night sleeping outdoors, a trip to the beach to explore the tide pools and more!

Campers will enjoy outdoor exploration, encounter God in nature, and live in community with other adventurers.

# SAFETY

All staff members leading activities are trained and verified in their skills. All camps have a Certified Health Supervisor or Registered Nurse on site for the duration of the program. Camp staff are First Aid & CPR Certified. All lifeguards hold a current LG certification from the Red Cross.

# HOUSING

Campers stay in cabins that are grouped by gender. In the event of a gender non-conforming camper or counselor, that person is placed according to the gender they identify with or their biological gender -whichever they prefer. Parents of campers in shared lodging are informed ahead of time and given the option to switch cabins if they desire.There are at least two counselors in every cabin.

# SUPERVISION

We maintain a minimum ratio of 1 staff person to 7 campers, according to ACA standards. Usually, we operate at a 1:4 ratio. Campers are supervised at all times, according to their age group.

# MEALS

3 well balanced meals and 2 snacks are served every full day of camp. Healthy alternative options are always available, including a deluxe salad bar, soup, and other choices. For campers with special dietary needs, our kitchen can prepare appropriate alternatives.
